Manufacturer:

Oxford Biomedical Research  
2165 Avon Industrial Dr.  
Rochester Hills, MI 48309  
(248) 852-8815

Product Information:

The properties of this material have not been thoroughly investigated. Use caution in the handling and use of this product. The chemical, physical and toxicological properties have not been fully investigated. Exercise due care and caution.

Do not take internally. Wear suitable protective clothing including lab coat, gloves and eyewear. If irritation occurs seek medical attention immediately.

This material, or derivatives thereof, should not be disposed of or released into the environment. This material should be handled in a restricted manner until the degree of risk has been adequately assessed. It is the recommendation of Oxford Biomedical Research that this material, or derivatives thereof, be transported to a federal or state licensed incinerator for disposal. It is the handlers responsibility to handle and dispose of this material in accordance with Local, State and Federal Government guidelines.

The information provided in this document is believed to be correct, but does not purport to be all-inclusive. This document is to serve only as a guide. Oxford Biomedical Research shall not be held liable for damages resulting from handling with the above product(s). The contents of this document are not reflective of, nor a substitute for, state, municipal or insurance requirements and constitute no warranty of any kind.
